

Another year in the life of

The Junior Sports Programme

The Programme has continued to help the clubs and schools that it has worked with in the past with help being provided to football, rugby, tennis, table tennis, cricket, athletics, gymnastics, netball and swimming clubs whilst further extending the introduction of pop lacrosse (now in its 11th year) to Lincolnshire schools.

Associated with this going forward, the Trust will be co-operating with English Lacrosse to provide more equipment for what is a fast expanding area of the Trust's activity.

Just 5 years after the Junior Sports Programme started introducing Ultimate Frisbee to Lincolnshire schools, the sport has now gained Olympic recognition. In August this year, the International Olympic Committee (IOC) fully-recognised the World Flying Disc Federation, Ultimate Frisbee's governing body and accepted the sport as an Olympic discipline.

This means that Ultimate Frisbee is eligible for IOC funding and can compete with other sports for inclusion in future Olympic games.

Ultimate Frisbee is a non-contact mixed team event which has been described as a cross between American Football and netball. The Junior Sports Programme now provides practice and event discs for Lincolnshire schools, together with access to on-line instruction for sport teachers and event organisers.

Ultimate can be played on most playing fields with minimal supervision with 'fair play' at the heart of the game.

It provides a new and exciting activity for schools and clubs that helps make better use of existing facilities at very little cost. For more information about JSP's involvement visit the Sports Development pages at www.juniorsport.co.uk

In the year ahead the Junior Sports Programme will look to engage in new fund raising activities and extend the more recent initiatives.

Fair Play Award

For most competitors in junior sporting activities, it's taking part that counts. Everyone benefits from the skills, exercise and team work associated with most all activities.

The spirit of the game and fair play bring their own rewards and one of which is the opportunity to win the Junior Sports Programme Fair Play Award.

The Junior Sports Programme provide all that is required to introduce a Fair Play Award Scheme into most sporting activities. Instructions, score sheets and medals are available free of charge to participating clubs.

The scheme is proving increasingly popular, particularly within schools as an added incentive to encourage youngsters to take part in sports activities. Contact us for more information if your school or club could benefit. **IT'S FREE!**

Sleaford Maltsters target archery club was started in 2008 and aims to promote the sport of archery to everyone from the age of 10 upwards.

The Club regularly run taster sessions, beginner's courses and 'Have a Go' events. They shoot Monday & Friday evenings, during the summer at the Sports Ground on Boston Road, and in winter at Northgate Sports Hall. The Club can be contacted via their website or Facebook page.

The Junior Sports Programme sponsored the casting competition at this year's Lincolnshire Show.

Barry Grantham of the Association commented, "Eighteen schools took part over the two days. The winning school was St Thomas Church of England School from Boston who received the JSP Casting Competition Trophy. All the children who took part enjoyed the opportunity of trying the sport for the first time".

FOOTBALL

Olivia Leslie

The Junior Sports Programme was able to assist seventeen year old Olivia Leslie towards her travelling expenses to training and matches.

Olivia after a rigorous trial/selection process at Doncaster Belles Ladies Football Club (top of WSL2) was selected for the development squad or what used to be known as the reserves. She is really keen to continue to develop as a person and a player and is excited to be part of a progressive club with some excellent coaching and personnel to support her development.

To get to this point she was spotted (by Richard Cooper) at Nettleham under 8's and has subsequently played at the Lincolnshire FA girls centre of excellence (in its various guises) for 8 years progressing through all age groups and was

one of the squad that won the North East region league in 2013/14 and runners up by one point in the East league the following year. She loves the challenge that the sport offers and was identified as gifted and talented and was in the Lincolnshire Sport program delivered at the University Of Lincoln until she was too old to attend.

Wishing to extend her knowledge beyond simply being a player she has gained both a referees licence (lowest level) and have refereed numerous games at LCFC boys academy, Lincoln Griffins charity day, Keith Alexander memorial tournament and disability matches as well as level 1 coaching award which she hopes to gain experience with a local team (time/commitment permitting).

AWARDS

Fairplay Award - The Mount School

Ann Ellison of The Mount School was delighted to report that Lyas Dean Clark is the proud recipient of The Fair Play award.

Ann commented, "Lyas has been playing netball for a year and is a good player and listens, encourages others, takes criticism from the umpire and never argues, putting netball before his social life. The Gold award is awarded to Joshua Kent, an all-round sportsman and an excellent netball player. Ann commented, " Joshua encourages others. His help was invaluable whilst I was away recently, assisting Natalie, who took responsibility for the squad, assisting with training and helping the other players, especially the younger children".

Both Lyas and Joshua are Year six pupils and will be leaving at the end of the year. The presentation of the awards will be made at the end of term.

ATHLETICS

Mini Olympics 2015

Once again, the annual Mini Olympics proved to be a great success. The 7th Mini Olympics held at Eslaforde Park, marked 86 days until the start of the Rugby Union World Cup which will be hosted in England.

The Mini Olympic organisers and volunteers promoted the core values of the Rugby World Cup to help inspire and motivate the young athletes from twenty schools. They participated and enjoyed a wide range of sports some of which they had not tried before.

The event ended as it had started with a ceremony; each school represented a different sporting nation and the end was a celebration of the children's intrinsic achievements throughout the day. There were awards for the school which had demonstrated the most enjoyment. These medals were sponsored by Hodgson Elkington Junior Sport Programme and the winners were Metheringham Primary School.

POP LACROSSE

Regional Pop Lacrosse Tournament

Following pop lacrosse tournaments being held throughout Nottinghamshire and Lincolnshire, eight schools qualified to compete in the Regional Pop Lacrosse Tournament. This was held on 30th April 2015 in the sports Halls at the Sports Centre at Nottingham Trent University sponsored by the Junior Sports Programme.

The Head referee was Doug Martin from the English Lacrosse Association, assisted by Tom Freeman, an Australian International Lacrosse player and Kaitlin Colbridge from the USA, who are both lacrosse coaches at Nottingham University and Nottingham Trent University lacrosse coach Evan Sylvia.

Two leagues competed resulting in the semi-finals being played between Arnold Mill, St Peter's East Bridgford, West Bridgford and St Hugh's from Woodhall Spa.

The Final was between St. Hugh's and St. Peter's. In a very exciting and highly skilled game St Peter's won.

National Pop Lacrosse Tournament

The national pop lacrosse tournament took place on the 21st June at the English Institute of Sport in Sheffield. Twenty four teams from all over Great Britain took part.

JSP News & Events - Autumn 2015

St Peter's Primary School from East Bridgford won the East Midlands pop lacrosse tournament and went forward as the representatives from the region.

Despite a slow start in the early rounds St Peter's only lost in their group to the eventual winners of the tournament, Hale Prep, 7-5 showing how competitive they were.

Playing with skill and commitment, St Peter's won the Plate competition in overtime over Sparslott, which was an excellent achievement and a credit to pop lacrosse in the East Midlands.

The event was enjoyed by all the schools who competed, showing how the sport has grown throughout the country. Now more schools in Lincolnshire can play the game due to the Junior Sports Programme pop lacrosse loan kits, which are available to primary schools in the county.

GYMNASTICS

Lincoln City Gymnastics
